WHY DO I HAVE TO PAY

The Spring Round Up is self-supporting. No group monies are used to pay for it. No baskets are passed. All costs are paid by your registration. This event requires many months of planning, preparation and money to present. We have to pay the hotel for use of the facilities, meals and the reserved block of discounted rooms. Other expenses include travel & lodging for speakers, printed materials, postage & supplies. Our goal is to break even, therefore registration is nominal compared to a weekend's worth of entertainment elsewhere. Attendance is voluntary and as responsible A.A./Al-Anon members, we "pay our own way". Conventions ARE NOT considered regular meetings "for which there are no dues or fees for membership".
